

## Test Changes

---

**Test name:** Activated protein C resistance

**Test #:** 2969

**Notification date:** January 8, 2020

**Effective date:** January 14, 2020

### Quick reference

Effective January 14, 2020, the Activated protein C resistance assay (2969), referred to the University of MN Physicians Outreach laboratory, will become obsolete and made un-orderable.

### Details

The suggested alternative test is the Activated protein C resistance assay (14242/LAB14242) referred to LabCorp, which will be available beginning January 14, 2020.

Test name: Activated protein C resistance
