

Advancing Excellence

System Inspection

The College of American Pathologists

recognizes that the laboratory system named below

Allina Hospital & Clinics

System ID: 1363361

has successfully participated in the System Integration Inspection process. The Laboratory Directors and their staff members are to be commended for their efforts and support of this unique inspection process that ensures continued excellence in laboratory service.

Fronk R Rudy

Chair, Commission on Laboratory Accreditation

Stanley Hottel MD

President, College of American Pathologists
