

Test update

Test name: Influenza A/B PCR

Test #: 8810

Notification date: April 6, 2020

Effective date: May 6, 2020

QUICK REFERENCE

Due to an increase in supply costs, effective May 6, 2020, there will be a price increase for the Influenza A/B PCR assay (8810/LAB8810).

DETAILS

Effective May 6, 2020, there will be an increase in the fees charged for the Influenza A/B PCR assay. If this is a test utilized by your practice, and Allina Health Laboratory bills your practice for testing performed, contact your account representative for the new fee schedule.
