## Getting Started

Xifin Client Portal is a web-based application that allows you to log in and print your facilities invoices.

### Contacting Allina Health Laboratory Billing

Telephone	(612) 863-0400
Fax	(612) 863-0460
Email	labbilling@allina.com
Mail	Allina Health Laboratory Billing Mail Route 20201 PO Box 342 Minneapolis, MN 55440

### Xifin Client Portal Information

You can find Xifin Client Portal information on the XIFIN client portal tab of the [Lab billing page](#) on the [Allina Health Laboratory](#) website. This page contains the following information:

- This guide, which contains all the information that you need to use the Xifin client portal
- A link to the application

Information can also be accessed from within the Xifin Client Portal application by clicking **Help** on the upper right corner of the web page.

## Logging in to Xifin Client Portal

To get started using the Xifin application, you must log in. The first time you log in to the application, you must change your password. The following topics describe how to perform these tasks as well as what to do if you have forgotten your password, and how to log out of the application.

To log in to the Xifin application, follow these steps:

1. Using your web browser, enter the following URL to get to the Xifin login window, or access from Allina Health Laboratory Billing website or from a desktop shortcut ([see page 13](#)).

<https://portal.xifin.com/clientportal/login.html>

A screenshot of the XIFIN iNet Client Portal login form. The form is titled "XIFIN iNet Client Portal" and contains two input fields: "Username" and "Password". Below the password field is a link that says "Having trouble with your Username or Password?". At the bottom right of the form is a blue "Login" button.

2. Enter your username and password in the designated fields.  
**Note:** Passwords are case sensitive.
3. When logging in to the Xifin application for the first time, you must change your password. To change your password, follow these steps:
  - a. Enter your temporary password in the **Old Password** text box.
  - b. Enter your new password in the **New Password** text box.  
**Note:** Your password must be between 8 and 40 characters with at least one letter and one number.
  - c. Enter the same new password in the **Confirm Password** text box and click **Submit**.

A screenshot of the "Change My Password" form. The form is titled "Change My Password" and contains a message: "A valid password must be alphanumeric, contain at least one letter and one number and may contain special characters (min 8 characters in length)". Below the message are three input fields: "Old Password", "New Password", and "Confirm Password".A screenshot of the bottom of the form, showing two buttons: "Clear" and "Submit".

## Logging in to Xifin Client Portal If You Forgot Your User Name or Password

If you do not remember your password, you can request to have your password reset through an automated process.

1. Click the **Having trouble with your Username or Password?** link.
2. The **Password Recovery Help** page displays.
3. Enter your **Username** (in the form of an email address).
4. Click **Submit**
5. Click **Cancel** to discard any changes made and return to the previous page, without making any changes.

**Password Recovery Help**

Please enter the Username associated with your account.  
Information to reset your XIFIN iNet Client Portal Password will be sent to the email address associated with your account.  
Please contact your system administrator if you need assistance with your Username.

\* Username:

An email is sent to your email account, as defined in your user profile, with a link to recover your Client Portal account password. After clicking on the link, from the email, the **Enter New Password** page displays.

1. Enter a **New Password** that you have not previously used.
2. Reenter the same password in **Confirm Password** to ensure you entered the password as you intended.
3. If the two passwords do not match, you will have the opportunity to reenter the **New Password**.
4. After the system updates the password, you will be redirected to the **Portal Login** page.

If you have issues with resetting your password, call client services in Lab Billing Client Services at (612)863-0400 or email us at [LabBilling@allina.com](mailto:LabBilling@allina.com).

## Logging out of Xifin Client Portal

To log out of the Xifin application, click **Logout** on the menu bar.

## Changing Your Password

Your Xifin passwords must be changed every 90 days. To change your password, follow these steps:

1. On the Navigation Bar, click **Administration** and **Change My Password**.

2. In the **Change My Password** dialog box, enter your current password in the **Old Password** text box.

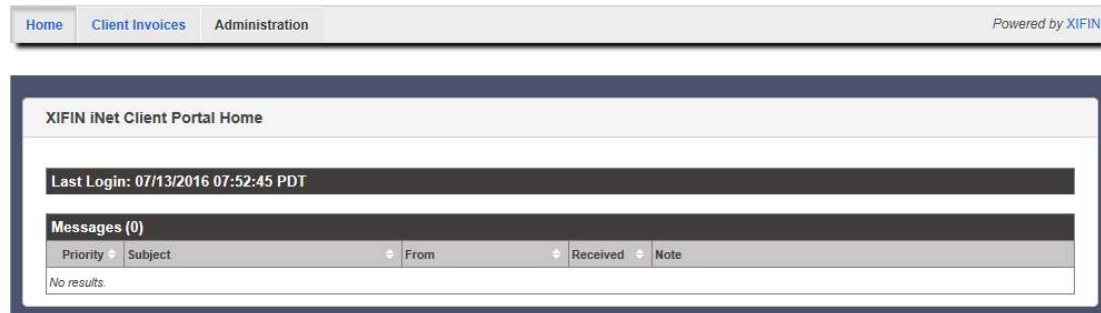

3. Enter a new password in the **New Password** text box.

**Note:** Your password must be between 8 and 40 characters with at least one letter and one number.

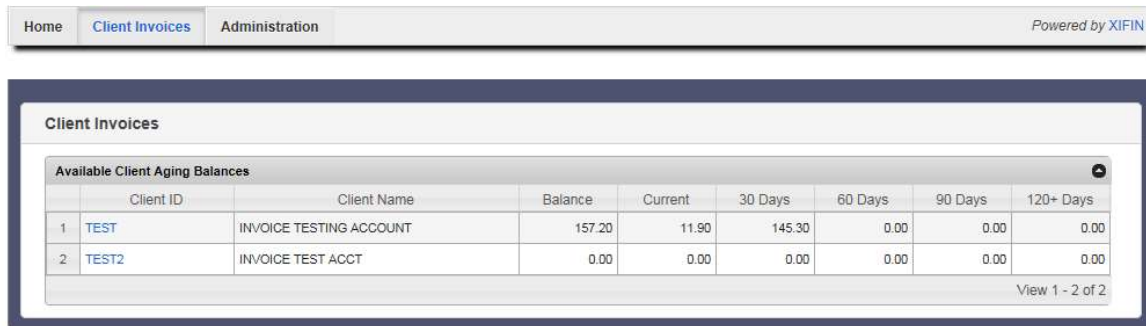

4. Enter the same new password in the **Confirm Password** text box.
5. Click **Submit**.

## Using Xifin Client Portal

To view your account summary and invoices, click on the **Client Invoices** tab from the home page.

A summary of your account will be displayed showing your aging balance by month. If you have access to more than one account, each account will appear on a separate line.

The Client Aging Balances grid displays the current client balance and amount owing from 30 to 120+ days. The following columns are available in this grid:

- **Client ID** — The Client ID distinctly identifies a client. Each client has a unique identification, which appears on your client requisition. Click the hyperlink to view the Client ID, Client Name, Preview Invoice hyperlink, Invoice Date Range From/Through fields, and the Previous Invoices grid.
- **Client Name** — The name of the client associated with the Client ID.
- **Balance** — The total balance owed
- **Current** — The amount owing for the current month
- **30 Days** — The amount owing for 30-59 days
- **60 Days** — The amount owing for 60-89 days
- **90 Days** — The amount owing for 90-119 days
- **120+ Days** — The amount owing for 120 days and greater

To view the invoices for a particular account, click on the hotlink for that location under the **Client ID** column.

**Note:** The "Reconciliation" and "Retroactive" columns are not currently functional.

## Viewing Invoices

To view a list of invoices, select the desired **Invoice Date Range** — selecting the **From** and **Through** dates from the calendar grid. The default date range is a one year time period going back from the current date. Click the **Get Data** button to populate the **Previous Invoices** grid with the applicable data for the Invoice Date Range provided.

**Note:** You will receive an email notification from Xifin when there are new invoices posted to your account.

## Reading invoices for Miscellaneous Sendout (MSO) billing:

In the example below, the test code of 19191919 is an MSO test that is not built for billing, so the CPT code is embedded in the test name. Whenever possible, the test name is the test name of how the testing was ordered. In this example the patient had two MSO tests and one orderable Antithrombin III Activity.

12/01/2017	MSO, EXAMPLE	XMSOTESTING	19191919	00000	85301 ANTITHROMBIN ANTIGEN	1.00
	DOB: 04/25/1972		19191919	00000	85366 SOLUBLE FIBRIN MONOMER	1.00
			308530000	85300	ANTITHROMBIN III ACTIVITY	19.70

## Tips and Best Practices

The following topics provide tips for using the Xifin application.

- Adding a desktop shortcut to Allina Health Laboratory
- Adding a desktop shortcut to the Xifin application
- Adding Allina Health Laboratory and the Xifin Application as trusted websites

### Adding a Desktop Shortcut to Allina Health Laboratory

For quick access to the Allina Health Laboratory website, you can add a shortcut to your computer desktop. To add a shortcut, follow these steps:

**Note:** These instructions are for Microsoft Windows 7 and Internet Explorer 11. The steps for other versions of Windows or Internet Explorer might be different.

1. Open Internet Explorer and enter the following uniform resource locator (URL) in the address bar:  
<http://www.allinahealth.org/allinhealthlaboratory>

2. On the **File** menu, click **Send > Shortcut to Desktop**.

A shortcut to Allina Health Laboratory is added to your computer desktop.

### Adding a Desktop Shortcut to the Xifin Application

To add a shortcut to the Xifin application, follow these steps:

**Note:** These instructions are for Microsoft Windows 7 and Internet Explorer 11. The steps for other versions of Windows or of Internet Explorer, or for other operating systems might be different.

1. Open Internet Explorer and enter following URLs in the address bar:

<https://portal.xifin.com/clientportal/login.html>

2. On the **File** menu, click **Send > Shortcut to Desktop**.

A shortcut to the Xifin application is added to your computer desktop.

## Adding Allina Health Laboratory and the Xifin Application as Trusted Websites

To ensure correct operation, add Allina Health Laboratory and the Xifin application to your Internet Explorer as trusted sites by following these steps:

**Note:** These instructions are for Internet Explorer 11. The steps for other versions of Internet Explorer might be different.

1. Open Internet Explorer.
2. On the **Tools** menu, click **Internet options**.
3. In the Internet Options dialog box, click the **Security** tab.
4. On the Security page, click the **Trusted sites** icon.
5. Click **Sites**.
6. In the Trusted sites dialog box, enter each of the following URLs, and then click **Add** to add the website to the list of trusted sites:

Allina Health Laboratory <http://www.allinahealth.org/allinahealthlaboratory>

Xifin site <https://portal.xifin.com/clientportal/login.html>

7. Clear the Require server verification (https:) for all sites in this zone check box.
8. Click **Close** to close the Trusted sites dialog box.
9. Click **OK** to close the Internet Options dialog box.

## Disable Popup Blockers for the Website

If the Xifin application does not open correctly, it might be necessary to disable popup blockers on your computer. To disable popup blockers, follow these steps:

**Note:** These instructions are for Internet Explorer 11. The steps for other versions of Internet Explorer might be different.

1. Open Internet Explorer.
2. On the **Tools** menu, click **Internet options**.
3. In the Internet Options dialog box, click the **Privacy** tab.
4. On the Privacy page, click **Settings**.
5. In the Pop-up Blocker Settings dialog box, enter each of the following URLs, <https://portal.xifin.com/clientportal/login.html>, and then click **Add** to add the website to the list of allowed websites:
6. Click **Close** to close the Pop-up Blocker Settings dialog box.
7. Click **OK** to close the Internet Options dialog box.

## Frequently Asked Questions

The following topics contain answers to frequently asked questions (FAQ) about the Xifin application.

### User Setup, Account Number, and Login

- Q:** Who can set up new Xifin Client Portal accounts and Users?
- A:** Upon receipt of a completed user request form, Allina Health Laboratory Billing staff will set up new Xifin Client Portal accounts. Contact your Account Representative for the form.
- Q:** My facility has multiple accounts. Do I need to remember each of the account numbers when I log in to the Xifin application?
- A:** No. Your Xifin user ID is set up with access to specific accounts. For a single-site location setup, when you log in, you will see invoices for your account. For a multiple-site location setup, when you log in, you will select from the list of accounts that you want to access.
- Q:** I work in a facility with multiple accounts. How I do I switch between accounts?
- A:** On the **Client Invoices** page, select the account that you want from the **Client Aging Balances** section.
- Q:** Must I log out to switch to a different account?
- A:** No. You can select a different account by clicking on another **Client ID** in the **Client Aging Balances** section.
- Q:** How long will the Xifin application remain open with no activity?
- A:** For security reasons, users are logged out of the Xifin application after 30 minutes of inactivity.

### Passwords

- Q:** Who can reset my password?
- A:** Users are able to reset their own passwords ([see page 6](#)).
- Q:** How often do I need to change my password?
- A:** Passwords must be changed every 90 days. When you log in to the Xifin application with an expired password, you are prompted to change the password.
- Q:** Can I change my password whenever I choose or do I need to wait for the Xifin application to prompt me to change my password?
- A:** You can change your passwords whenever you want. To change your password, click **Administration** and **Change My Password** on the main menu.
