

## Test update

---

**Test name:** Neuron-specific enolase, CSF

**Test #:** 7928

**Notification date:** March 20, 2020

**Effective date:** Immediately

---

## QUICK REFERENCE

Mayo Clinic Laboratories (MCL) has shared that due to reagent delivery delay, testing for Neuron-specific enolase, CSF (7928/83520.18) will be delayed.

## DETAILS

The test will remain orderable and specimens received will be stabilized. Testing will be performed once reagents are received. Notification will be sent when an update is available.
